*here's an easier way
to deal with invoices*

A pair of red-handled scissors is positioned on the left side of the image, resting on a white invoice document. The invoice is slightly angled and shows the word 'Invoice' in a large, bold font. Below it, there is some smaller text, including 'Samples Ltd' and 'Level 11, Sample Towers'. The background is a light, neutral color.

***Fee Funder cuts bills
into easy monthly instalments***

spread the cost - cut the worry

Traditionally, paying your accountant or lawyer has meant your bank account or credit card taking the strain. Now, Fee Funder lets you pay professional fees in easy monthly instalments.

With Fee Funder you can have a cost-effective instalment plan that won't get in the way of other borrowing. It allows you to deal with someone you already know and trust.

Fee Funder is brought to you by New Zealand's leading premium funding and fee funding company, Lumley Finance, and backed by the internationally respected Wesfarmers group.

Our team of finance professionals already helps thousands of people and businesses to pay for invoices. Now they can help

you to pay all kinds of professional fees.

Organising Fee Funder is easy, simply ask about the instalment plan when you receive your invoice. In most cases, your accountant or lawyer will complete your application online so you can receive an immediate quote stating exactly what your monthly payment will be.

With Fee Funder organised, you can concentrate on getting the best professional advice instead of worrying about the cost.

For an immediate quote or for more information about Fee Funder, call 0800 438 634 and we'll cut you a great deal.
